Working Smarter

How Publishers Can Add Value for Readers, Authors, and Organizations

Journal publishers have an incredibly complex job, but there are several innovative and cost- and time-saving technologies that can simplify their workflow on every front.

Need to Know

What's Behind the Proposed USPS Rate Increases?

With the looming possibility of large USPS rate increases, Congress has an opportunity to vote on postal reforms that may allow us to avert the increases altogether.

Quote of Note

"No one is useless in this world who lightens the burdens of another."

— Charles Dickens
